CLOTHING DRIVE FOR THE HOMELESS

In conjunction with Seminole County Sheriff's Office the community got together to collect and donate new clothing and supplies for the homeless. Thanks to all those who sent items for this special mitzvah!

A JEWISH BURIAL

A woman in the community recently passed with no next of kin. She had no signed will. Rabbi Majesky was contacted for help. The state wouldn't allow her body to be released originally but after a few weeks of persuasion Rabbi Majesky arranged for her to have a dignified and proper Jewish burial.

Leave a Will to ensure a Jewish burial

A ceremony performed by Chesed Shel Emes.

A few days before Pesach, Rabbi Yanky Majesky of Chabad North Orlando got a very disturbing phone call. A relatively young Jewish woman had passed away all alone with no known next of kin. The woman on the phone was a co-worker of the deceased and found the rabbi's cell number. A week after the passing they went to clean the apartment and found her beloved cat was still there hiding under her bed. A draft of a will was found which indicated that the rabbi should oversee her funeral arrangements and to whom the cat should be given but the will was unfortunately never signed and so it took another few weeks for the hospital to allow Rabbi Majesky to arrange a proper Jewish burial.

A LIVING LEGACY

Rolene Hunter of blessed memory generously arranged that her full life insurance policy would be gifted to Chabad of North Orlando. Thanks to Rolene we can continue to do the vital work of keeping the Jewish flame alive through Jewish educational programming.

IN TIMES OF NEED

AT TIMES THINGS CAN GET TOUGH AND CHABAD IS THERE TO HELP. WITH THE HELP OF KIND AND GENEROUS DONORS OF THE COMMUNITY WE WERE ABLE TO BE OF ASSISTANCE TO PEOPLE IN DIRE NEED.

One woman expressed to us that she hadn't eaten for 3 days since she didn't have funds or transportation. When we put out this request to the community for help one donor went over himself to bring food to this woman personally.

The Chabad free loan fund has been a G-d send for many in the community. A family with four kids called Chabad and said that they were very behind in rent and needed help as to postpone eviction. We were able to give them a free loan to help with their rent payments.

A family struggling to make their electricity payments on time were saved from having their electricity shut off because Chabad was able to help with a free loan.

A local family was traveling in their car when it broke down in middle of the night. They had little kids in the car and no money to pay for repairs. Chabad was the first number they called and money from the free loan fund was granted to them. This enabled them to get the necessary repairs to get back on the road and back home safely.

BUILDING UPDATE!

Chabad of North Orlando made a big move to purchase the building next door, 1745 Markham Woods Road in March 2020 and plans are underway to expand!

Shortly thereafter 2 donors gifted 2 large donations respectively to be used towards the property cost and renovation.

These gifts have paid for the land and now have provided a strong foundation for a successful building campaign!

Meetings with architects have begun and a full building campaign will follow soon!
